The fare only costs \$60 to the Little Rock Airport and \$65 to get picked up.

Free Ride Program

The Free Ride Program that many people have enjoyed over the years is something unique that Conway Yellow Cab provides to the community. When a close friend of Andrew Lewey was killed in a drunk driving accident, he took it upon himself to make sure that people had a safe way to get home and didn't feel the need to drive while intoxicated. The program is entirely funded by Andrew and company, with no monetary contributions from the city or private parties: it's important to us that we provide this vital service to our city.

The rules are pretty simple: From the hours of 9:00 PM to 2:00 AM on Fridays and Saturdays, Conway Yellow Cab will offer a free ride to or from a locally-owned, private club here in Conway; all you have to do is tip the driver and they'll waive the fare. You must stay within the Conway city limits for the free ride program to be offered.

With this program, people are offered a safe way to get to a bar and come home at the end of the night without having to worry about driving home or finding a designated driver. Our community can still go out, socialize, and have a wonderful night without placing anyone in danger of getting a DUI or worse.
