As we step into 2024, I want to express my sincere gratitude for your support of the Conway Regional Health Foundation. Your kindness has been instrumental in our accomplishments over the past year.

In 2023, with the help of supporters like you, we achieved significant milestones and addressed critical community needs. Your generosity enabled us to fund essential programs such as Rock Steady Boxing, provide grant funding, and initiate the expansion of the adult behavioral health unit. Additionally, we continued to support the education of future healthcare professionals through scholarships and help patients and employees in times of need. None of these achievements would have been possible without your support.

As we look ahead, we are eager to continue our work and make an even more significant impact on our community. Thank you again for your generous support.

Sincerely,  
**Linda Tyler**

Board Chair, Conway Regional Health Foundation

*through the Conway Regional Benevolence Fund*

The Conway Regional Benevolence Fund is designed to be a safety net to help our team members when they face unexpected hardships, whether it be a medical emergency, a natural disaster, or other unforeseen challenges. Through our employees' generous contributions, we continue to support our Conway Regional Family outside of the workplace.

“ I lost my home of 26 years to a fire. The support from the Benevolence Fund helped me and my family get back on our feet and provided a temporary living situation while we rebuilt our lives. I could not be more thankful for the support of my fellow employees; it was overwhelming! ”
